## Driver's Briefing

Driver's briefings are mandatory and all drivers must attend. Either they appear on the schedule or are called during the event on the Public Announcement system. Presence may be controlled physically or electronically. For this reason, drivers must have their credentials with them at the briefing.

## Paddock

Competitors must receive authorization from the event staff before parking. The paddock is restricted for race support vehicles only; aisle may not be blocked at any time; to allow emergency vehicle to access. County Fire has a very strict policy (stated requirements below), the fire department will send an inspector to make sure every pit is compliant; they have the authority to shut down the event for one pit area not compiling, so please help your neighbors.

"Pit area will have a minimum of one 5-lb type ABC rated fire extinguisher for every 400 square feet of pit area; fire extinguishers must be visible and accessible at all times; competitors with trailers over 20-ft long shall have a minimum of one 20-lb type ABC fire extinguisher for the trailer in addition to one 5-lb unit for each 400 square feet of pit area. Non-compliance could result in fines or driver penalties."

Each pit area must have the floor area completely covered (tarpred), all fluids must be completely contained. Anyone found dispensing, spilling or cleaning on unprotected ground will be find \$1000 (one thousand dollars). This fine must be paid before next on track session for anyone on the team.

**It is your job as team mangers to make sure your area is up to the standards stated, we do not have the time to police your area, teams found not following these guidelines will be penalized by not allowing any driver under that team tent to enter grid, until the team is in compliance**

Staking is allowed, however you must fill the holes properly after, holes not addressed properly will be charged \$200 each to the team.

All RV's will be required to park in the RV lot; these lots are dry camping only.

All \ will be required to park in the parking garage or with hotel valet.

Any motorized vehicle (car, truck, golf cart, etc) must be operated by someone who is 16 years old or older. Any violation of this will result in vehicle confiscation for the event week and possible fines.

## Registration

Pre Registration for the event closes Sunday, January 9 , 2022 and can be found here: [www.rokcupusa.com](http://www.rokcupusa.com) Onsite registration will open Monday, December 7th and closes January 10th at 5:00pm, local time.

## Event Fuel and Oil

### Fuel

The mandatory fuel is Sunoco supremum included in the registration. Distribution of event fuel will take place at the fuel compound, times can be found on the event schedule. Anyone needing to purchase practice fuel can buy "fuel vouchers" from registration. All fuel must be mixed and stored in the fuel compound area, please make sure you mark your cans clearly.
